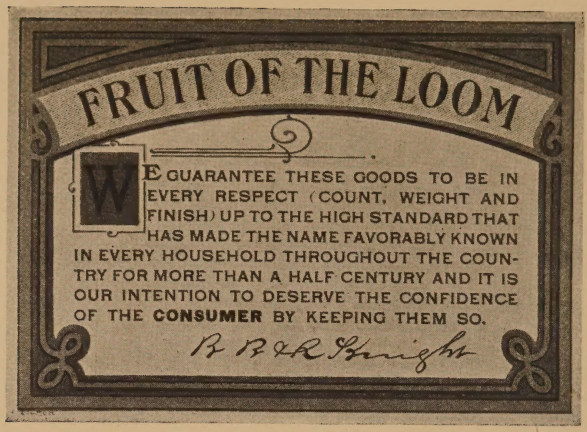
THE LABELS AND TRADE-MARKS

illustrated in these pages represent a few of the well-known products of Northrop Looms woven by some of the best mills in the Country; they show at a glance that the day has passed for the loom-skeptic, who, like the ostrich, hides his face in the sand.

Stockholders in mills equipped with common looms should not be deceived by present war-dividends.

UNCONDITIONAL SURRENDER

of common looms to Northrop looms is approaching.



FRUIT OF THE LOOM
